OBJECTIVE

A passionate Frontend Developer skilled in React.js, Next.js, and Tailwind CSS, focused on building responsive, interactive, and scalable user interfaces. Bringing hands-on experience from a 6-month internship at Novem Controls, with strong expertise in modern UI design, smooth animations, and user-interactive development.

EDUCATION

Bachelor of Technology – Computer Science and Engineering

Sardar Beant Singh State University, Punjab

2021–2025

CGPA: 7.9

Intermediate

Sardar Atma Singh Public Senior Sec. School (PCM)

2020–2021

CGPA: 9

EXPERIENCE

MERN Stack Developer Intern – Novem Controls

Jan 2024 – Jun 2024

Worked on multiple live projects, including e-commerce, food delivery, and booking platforms.

- Developed a **clothing e-commerce website** with product listings, cart, authentication, and Stripe payment gateway.
- Built an **online food delivery site** featuring order management, checkout, and responsive UI.
- Created **Nest.js-based backend modules** for an online booking platform with API validation and authentication.
- Integrated RESTful APIs, optimized performance, and ensured secure data handling using JWT.

PROJECTS

Ecomzone – E-commerce Platform

Developed a fully responsive and user-friendly clothing e-commerce website with product listing, filters, and cart UI. Focused on performance, clean component architecture, and modern UI/UX principles.

Tech Stack: React.js, Tailwind CSS, Framer Motion, JavaScript, Deployment (Vercel)
